DEVELOPMENT PROGRAMS

AGES 8-18
Orange-Green

These programs follow the USTA Nationally recognized ROGY system of player development which incorporates the use of Orange and Green low compression balls and regular Yellow balls on either 60' or 78' courts depending on age and skill level. Players will be evaluated on the first day in each class and placed according to these parameters.

ROGY fosters learning in young players that proportionately mimics larger/older players on a full-size court and makes learning easy and fun!

Player Development

AGES 8-12

Greenwood development programs are designed to rapidly improve all strokes and introduce tactical skills through a proven modern, integrated approach. Classes are customized to meet the needs of each student based on the player's age and skill level.
