

BALANCE/STABILITY/FLEXIBILITY

ALIGN AND FLOW An energizing style of Vinyasa yoga consisting of creative and intelligent sequences, postures are linked together by sun salutations with fast-paced transitions. A focus is on connecting the breath to movement, as well as safe alignment to maximize the benefits of each asana and reduce susceptibility to injury.

CANDLELIGHT FLOW This calming vinyasa class is intended to relax yet energize the body and mind in a cozy and comfortable space. There is a strong focus on the warm-up and cool down periods of class, tied together by an invigorating sequence of creative and intelligent sun salutations. The class focuses on mindful breath-based movement throughout the flow.

HATHA This classic form of yoga is a slower paced class with a focus on long holds in the asanas to cultivate mindfulness, increase flexibility and balance, and build both mental and physical stamina.

POWER FLOW A vigorous and dynamic style of Vinyasa yoga that includes challenging sequences with advanced transitions and asanas such as arm balances, twists, inversions and backbends. This class will build strength and endurance while increasing flexibility and mindfulness.

RESTORATIVE YOGA This nourishing class is intended to heal and reset the mind and body with a series of only a handful of passive, gentle poses. Students will use props including blocks, blankets, bolsters and straps to support the body in the asanas to provide a safe and supportive environment to allow for the mind and body to surrender.

THERMAL YOGA® This class is the traditional sequence of 26 asanas and pranayama, practiced in a heated room at the classic 105 degrees and 55% humidity. Heated classes are intended to promote flexibility, as well as cleanse, detox and refresh through intense sweat and focus.

YOGA BASICS A therapeutic approach to Hatha yoga, this class emphasizes joint mobility and stability movements to support whole body strength and proper alignment. Basic postures, breath work (pranayama) and meditation techniques will be introduced.

PILATES MAT Strengthen and realign through a series of functional movements for the entire body.

PILATES ATHLETIC MAT Designed for those seeking a more dynamic and challenging workout. This class combines the foundational principles of Pilates with high-energy, athletic movements to enhance strength, flexibility, and endurance.

STRETCH AND ROLL 20-minute guided myofascial release using foam rollers for the purpose of massaging away soreness in trigger points and preparing the body for deeper stretching.

YIN/NIDRA This 75-minute class begins with yin yoga, a series of passive, longer-held postures to nourish the connective tissues within the body and prepare the body and mind for the stillYIN/NIDRAYoga Nidra is a guided meditation practice often referred to as yogic sleep. Students enter a state between sleep and wakefulness, intended to offer deep rest.

YIN Focuses more on the connective tissues than the muscles. This 60-minute class consists of deep holds to increase flexibility and circulation and renew the body's flow of energy along the meridians, promoting deep relaxation and recovery.

TAI CHI A series of slow, gentle standing postures, or forms. Each form flows into the next without pause, ensuring that your body is in constant motion. Tai chi is sometimes described as moving meditation, as it promotes peace and calm through movement and breathwork, connecting the mind and body. This class will focus on the fundamentals of Tai Chi with an emphasis on alignment, breathwork and relaxation.

MINDFUL MOVEMENT This is a gentle somatic yoga class designed to help you decompress and reconnect with your body. Focuses on breath-based practices and meditative movements to promote relaxation and awareness. Release tension, enhance flexibility, and cultivate a sense of inner peace. Slow down, breathe deeply and embrace the present moment. All levels welcome.

HOT PILATES This invigorating 45-minute class combines dynamic movements and intense heat to strengthen your core, tone muscles, and improve flexibility. It's designed to boost endurance, burn calories, and enhance posture while giving you a full-body workout that leaves you feeling energized and revitalized.

FUNCTIONAL MOVEMENT This class is designed to enhance joint mobility, flexibility and overall body movement. Through a series of dynamic stretches and functional poses, we aim to improve range of motion, reduce stiffness and promote fluid, natural movement patterns. Ideal for all levels, it helps to build strength and stability while increasing mobility for everyday activities and athletic performance.

MINDFUL BREATHWORK Experience the transformative power of conscious breathing in this guided 30-minute class.
